

Healing Communities Welcome Veterans Home

June 7, 2011 8:30am to 5:00pm

Gonzaga University, Globe Room at Cataldo Hall

Join us for a community-wide event!

LEARN about the challenges faced by veterans and their families. Plan with other participants for specific ways you and your faith community can step forward to affirm and support veterans and their families.

Cost: \$10.00 per person.

All participants will leave this event with specific, concrete action plans, resources to ensure that the plans have the support necessary to be successful, and commitment to deepen our capacity to be healing communities that welcome veterans home.

*Additional donations are welcomed. No one will be turned away for lack of funds.

"To bring together members of faith communities and veterans organizations in order to support healthy homecomings for veterans and their families"
